

# Safety Knife Blades

## 10x blades

The A53Blade (10-pack) is specifically designed to be compatible with the A53 Budget Safety Knife, making it the perfect choice for those who already own it. With its precise dimensions and its 6mm high quality carbon steel blade thickness, the A53Blade provides excellent durability and strength, making it suitable for a wide range of cutting tasks. The convenient 10 pack of blades means that you'll have a sufficient supply to last you an extended period, reducing the need for frequent repurchasing.
