Mini Utility Knife With Rounded Tip Ceramic Blade

A76

The Diplomat A76 Mini Utility Knife is equipped with a ceramic blade, which is not only safer but also lasts longer than standard metal blades, ensuring improved durability and lasting sharpness. Its compact design boasts a safety lock, built-in magnet and a lanyard hole for easy portability.

Features & Benefits

- Safe-to-touch ceramic blade with rounded tip prevents injuries
- Ceramic blade is harder and lasts longer than standard metal blades
- Ceramic blade is rustproof, non-conductive and non-sparking
- 2-position retractable cutting depth for better performance
- Portable and easy to hold
- Blade lock mechanism to prevent blade from moving and accidentally protruding when not in use
- Lightweight and durable construction
- Built-in magnet feature
- Suitable for left and right hand use
- Lanyard hole for easy access
- Ideal for various industries and applications including art & craft
