Folding Utility Knife & Scraper

Dual Function - One Tool Does It All

A81

The Diplomat A81 Folding Utility Knife & Scraper is a robust, dual-function tool engineered for both cutting and scraping applications. Featuring a locking rotation switch for seamless conversion between knife and scraper modes, and constructed with a hardened zinc alloy body and a non-slip rubber handle, providing enhanced comfort and control during use. Comes with a bonus set of five high-carbon steel blades with a unique rectangular slot for extended cutting life. Reliable and adaptable, the Diplomat A81 Folding Utility Knife & Scraper is ideal for cutting, scraping, and a wide range of construction, industrial, trade, and DIY applications.

Features & Benefits

- Dual-function folding knife and scraper for demanding tasks
- Heavy duty housing for durability and strength
- Ergonomic handle preventing hand fatigue
- Durable aluminium body built for long-term reliability
- Non slip rubber outer handle
- Locking rotation switch for seamless conversion between knife and scraper modes
- Includes five high carbon steel blades for extended performance
- Lanyard hole for secure handling and storage
- Versatile tool suited for construction, painting, decorating and DIY tasks

Replacement Blades

A79

Instructions for changing blades

1. Switch blade to cutting position shown in the picture

2. Press the lock button located on top of the blade

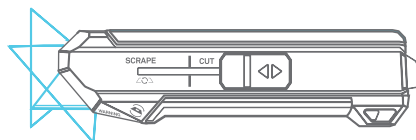

3. Remove the blade and replace it with a new blade

4. Make sure blade is securely in place to use the knife again
