Convenient pack of high-quality for precision safety!

The Diplomat 4" scraper blade is just what you need for your industrial scraping tasks at professional work sites as well as DIY scraping jobs around the home. Made from high-quality carbon steel, this broad scraper blade is designed to handle heavy-duty scraping tasks with effective ease. The sharp edge of the blade makes quick work of removing paint, adhesive, or other coatings from a variety of surfaces. With its replaceable blade design, you can easily swap out the old blade for a new one when it becomes dull or worn out, ensuring you always have a sharp scraping tool on hand. The Diplomat 4" carbon steel scraper blade will make sure you get the best scraping results every time.
