

# NT Cutter Precision Knife

## Metal Swivel

# SW-600GP

The NT Cutter's SW-600GP Metal Swivel Precision Knife is a premium swivel knife engineered for professionals and creators who require exceptional precision, accuracy, and full control in every cut. Constructed with a uniquely designed 11mm aluminium die-cast body, and a non-slip rubber grip this tool combines lightweight ease with lasting durability, making it perfect for intensive use in design studios, craft projects, and professional environments. Its 360° swivel tip allows for smooth, controlled movement—effortlessly handling intricate curves, detailed patterns, and clean, extended straight cuts. For added safety, the SW-600GP includes a protective cap to shield the blade when not in use, preventing accidental contact and ensuring secure storage and comes supplied with 5x BDC-200P 30° high-quality spare blades.

### Features & Benefits

- 360° swivel precision knife enables smooth, precise cutting
- Metallic 11mm diameter die cast body
- Non-slip, cushioned rubber grip
